

IF THE ANSWER IS *YES*

lyrics A.МУЗЫЧКИН

have you ever seen
 a basically good man sin ?
 have you and your friend ever tried
 to bite both on the same pie ?

if the answer is yes
 o-oh, you know what I mean
 you know how I feel
 fuck the judges !

I was born in the year of the snake
 I was born in the year of the swine
 I can take only what I can take
 and stealing is not in my line

but have you seen her beautiful smile ?
 have you seen her put on her dress ?
 if the answer is yes
 you'd better confess
 you're as big a sinner as I

so if the answer is yes
 o-oh, you know what I mean
 you know how I feel
 fuck the judges
